

SENIOR notes

Greetings!

I'm so excited that we're once again able to travel together and enjoy some of our favorite destinations! It's great seeing you all and sharing all the food and fun on our trips.

I hope you'll join us as we travel back to Oglebay for their spectacular Winter Festival of Lights. It will be the perfect way to enjoy the holiday season and maybe even get a little last-minute shopping in while we're there!

For those who enjoy the Columbus Symphony Holiday Pops show - while our group won't be traveling there this year, they'll be performing right here in Southeast Ohio at Stuart's Opera House, and that is sure to be a performance you won't want to miss.

Looking forward to traveling with you!

Kory Kasler

We'll share a meal at Wilson Lodge and meet a tour guide to lead us through the dazzling light displays around the park.

Exciting Changes Ahead for OUCU!

Since 1955, Ohio University Credit Union has grown and changed to deliver the services, access and technology to meet our members' needs. Still, we've remained committed to Dr. Crewson's vision of helping hardworking people improve their financial well-being.

In 2020 we expanded our membership, allowing us to serve eight new counties in Southeast Ohio. To support this growth, we are changing our name and logo.

Our name is changing from Ohio University Credit Union to OUCU Financial Credit Union, which honors our rich history and will carry us forward as we help more members navigate their financial future. Becoming OUCU Financial is only the beginning of this exciting transition. In the coming months, we will refresh our branches, website, services and more.

We want to reassure you that throughout this process, your accounts will continue to work the same. **There is nothing you need to do!** We'll keep you informed as we continue to create a better experience for you, your family and our community.

Be sure to watch for upcoming changes as we undergo this exciting transformation!
